

NAFEMS

THE INTERNATIONAL ASSOCIATION FOR THE ENGINEERING ANALYSIS COMMUNITY

NAFEMS Site Membership

NAFEMS site membership provides multiple benefits to your analysis team, giving you:

-  Copies of all new NAFEMS publications, as they are produced, and before they are generally available to the public
-  Large discounts on all NAFEMS publications sent to anyone at your registered site
-  The opportunity to obtain a NAFEMS Joining Pack in the first year - providing you with your own copy of numerous NAFEMS publications
-  Three copies of the quarterly magazine BENCHmark, delivered to named individuals at your site
-  Six seminar credits per year, valid for anyone at your registered site. Each seminar credit is worth one half day at a NAFEMS seminar, or one complete copy of the proceedings of any recently held seminar
-  Significant discounts on seminars, courses and conferences for anyone at your registered site
-  Admission to the members' area of the NAFEMS website
-  The opportunity to contribute to NAFEMS activities through participating in technical working groups and steering committees
-  Access to the NAFEMS community of over 850 organisations worldwide, providing excellent networking opportunities

NAFEMS Corporate Membership

If your company has more than one site or several teams of analysts who would benefit from membership of NAFEMS, then Corporate Membership is the option for you. Corporate Membership provides all the benefits of Site Membership, but extends to cover as many locations and teams as you need. You can tailor your Corporate Membership to your exact needs, ensuring your company is receiving the best value for money and the most relevant benefits of membership

Choose how many sites you wish to include, how many copies of our publications you wish to receive, the number of copies of BENCHmark you need and the number of seminar credits you would like per year. Based on your requirements, the NAFEMS Membership Team will put together a package which is tailored to your needs. Some examples are outlined below:

Example 1 - Corporate membership providing full NAFEMS benefits at 2 registered sites, 3 copies of BENCHmark magazine, 2 copies of new NAFEMS publications and 6 seminar credits = **€1655 per year**

Example 2 - Corporate membership providing full NAFEMS benefits at 5 registered sites, 10 copies of BENCHmark magazine, 5 copies of new NAFEMS publications and 10 seminar credits = **€3671 per year**

Contact NAFEMS today to discuss your tailored membership package or return the form overleaf

NAFEMS Academic Membership

The academic world has been involved in NAFEMS since its inception - one of the key roles of NAFEMS is the facilitation of collaboration between industry and academia. NAFEMS Site membership is available to recognised academic institutions for a reduced fee.

NAFEMS Small Company Membership

At NAFEMS, we recognise that being a small company has its own unique set of circumstances. This is why we can offer a low-cost option for smaller companies with a limited budget. Small Company Membership is tailored to the specific needs of small to medium sized enterprises, and can also be appropriate in areas without a NAFEMS Regional Group.

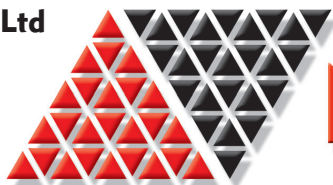

Prices start from **€620 per year**.
