

New Trends in Lightweight Structure Design Seminar

11th June 2019 in Žilina, Slovakia

Sponsorship & Exhibition
Opportunities

We would like to extend an invitation to your company to be part of NAFEMS New Trends in Lightweight Structure Design Seminar taking place in Žilina, Slovakia on Tuesday, 11th June 2019. Full event details are available at www.nafems.org/events/nafems/2019/new-trends-in-lightweight-structure-design/.

There are several outstanding opportunities available for your company to sponsor or exhibit at the event, giving you maximum exposure to a highly targeted audience of delegates, who are all directly involved in simulation, analysis, and design.

Benefits

So what are the benefits of sponsoring and exhibiting at the NAFEMS events?

- ▲ Promote your company to a large but highly focused group of individuals who have a prequalified interest in your product
- ▲ Establish important contacts within the Industry
- ▲ Increase your company's visibility and standing in the analysis community
- ▲ Showcase your latest product releases and service offerings
- ▲ Discover exactly what your target market needs from you, and what trends are emerging across the industry.

Opportunities

Sponsorship is an excellent way of raising the visibility of your company with the delegates, many of whom are in a position to influence, or approve, the purchase of software, hardware, and consultancy solutions. The different options are outlined below and all provide many benefits to your company. Your presence at NAFEMS events will provide you with excellent exposure.
