

# SPONSORING OPPORTUNITY

## Join us

We would like to extend an invitation to your company to be part of the NAFEMS international seminar "Designer-Oriented Simulation: Putting Simulation Upfront" as seminar sponsor, giving you maximum exposure to a highly targeted audience of delegates, who are all directly involved in simulation, analysis, and design.

#### Team with NAFEMS

As the only International Association for the Engineering Analysis Community, NAFEMS is widely held to be the leading independent source of information and training for engineering analysts and designers at all levels. Sponsors will have the chance to promote their participation during and prior to the event through the sponsorship package we are offering. Your participation in this international seminar will provide a positive impression of your company's commitment to best practices in the area of engineering simulation. The NAFEMS seminar provides an excellent opportunity for promotional and product / project awareness, and direct access to technology leaders.

### A Unique Opportunity

This NAFEMS international seminar presents a unique opportunity by providing a forum where all individuals can represent their solutions in a single location to many potential clients and collaborate with other vendors in this field. What better way to justify your support of this event!

We look forward to seeing you. Your NAFEMS Team

NAFEMS Deutschland, Österreich, Schweiz GmbH Griesstraße 20, 85567 Grafing b. München, Germany Phone: +49 176 217 984 01, Fax: +49 3 22 11 08 99 13 41 roger.oswald@nafems.org, www.nafems.org

Seminar website: www.nafems.org/dos22
